COMPLETE YOUR HOME...

PARADE / PARADE LOW

Alukov, worldwide known manufacturer of high quality swimming pool enclosures, presents new series PARADE. New enclosures PARADE and PARADE LOW are using combination of sharp and rounded design while maintaining the usual quality and workmanship of Alukov brand. At first glance you can see that PARADE and PARADE LOW are low and ultra low pool enclosures with high utility value. By purchasing one of them you get not only protection for your pool but also design piece that will complete your backyard. The pool enclosure will protect your pool in all weather conditions, provides safety from unwanted falls into the water and helps maintain the pool water temperature. It also simplifies water and pool care and saves you money for cleaning and heating. This modern pool enclosure boasts a super low and comfortably sloping rail on only one side of the pool. The conveniently positioned rail allows barrier-free access to the pool from 3 sides. The PARADE or PARADE LOW pool enclosure will become truly excellent helper in your garden.

WHY CHOOSE PARADE / PARADE LOW?
